Snacks

WORLD GOURMET MARKETING (800) 913-6637

The Sensible Portions Multi Grain Crisps from World Gourmet Marketing are made with whole grains: corn, rice and oats. They are baked and selectively seasoned for a light and crunchy cholesterol-free snack. They contain 70% less fat than traditional salty snacks for at-home or on-the-go snacking, according to the company. They are available in Tomato Basil, Parmesan & Herb, Apple Cinnamon, Sea Salt and Cheddar flavors.

Towelettes

IT'S 2 COOL LTD. (210) 824-7799

It's 2 Cool Ltd. has introduced Cool Off towelettes to refresh and renew anytime a quick cool-down is needed. The towelettes are infused with a blend of natural cooling herbs, essential oils and moisturizing botanicals with a clean, fresh scent. Each is packaged in single-use convenient and portable packets that are 2.5 inches by 3.5 inches. Consumers wipe Cool Off on the skin, then press for a few seconds to "build the chill," with the average chill lasting 20 minutes.

Coffee system

WILBUR CURTIS (800) 421-6150

IntelliFresh is a new advancement for the Curtis Gemini Brewing Systems from Wilbur Curtis Co. Once the brew button is pushed, IntelliFresh goes to work, maintaining preprogrammed freshness requirements and desired serving temperature. IntelliFresh satellite servers "remember" settings both at the brewer and on the remote serving stand. Curtis' design envelops the satellite vessel with digitally controlled bursts of warmth to precisely maintain optimum temperature.
