

Cool donation for military members

Posted on 06/21/2011 by cquinn

Local company **Cool Off**, maker of cooling towelettes, has donated 2,000 cooling towelettes to **IBC Bank**, **H.E. Butt Grocery Co.** and **Operation Interdependence's** efforts to gather items for the annual **Operation Care Drop**.

Operation Care Drop packages and ships care packages and letters from a grateful public to active duty military personnel serving abroad.

According to a press release, last year more than 13 tons of supplies were collected and delivered.

This year, drop off stations for the service initiative include participating H-E-B stores with IBC branches and other IBC branches across Texas and Oklahoma, more than 225 total.

This year's drive continues through July 4.
